

Lisa Shore - Wilber

Lisa's active participation and interest throughout the process of working with Nebraska VR made her success story possible. Nebraska VR assisted Lisa in the purchase of a standing wheelchair.

Lisa said of Nebraska VR, "If it weren't for them, I wouldn't be where I am."

Susan Kuipers - Papillion

Susan Kuipers needed work-site accommodations to help her with her job duties.

“They (Nebraska VR) are super people that will bend over backwards to help you get back into the real world and working” Susan said.
